Contact

To register or find out more about our course offerings:

- E-mail: training@yaskawa.com
- Phone: 1-800-YASKAWA (927-5292)

To learn more about what we have to offer in Technical Training Services, please visit www.Yaskawa.com

There you'll find the following useful information:

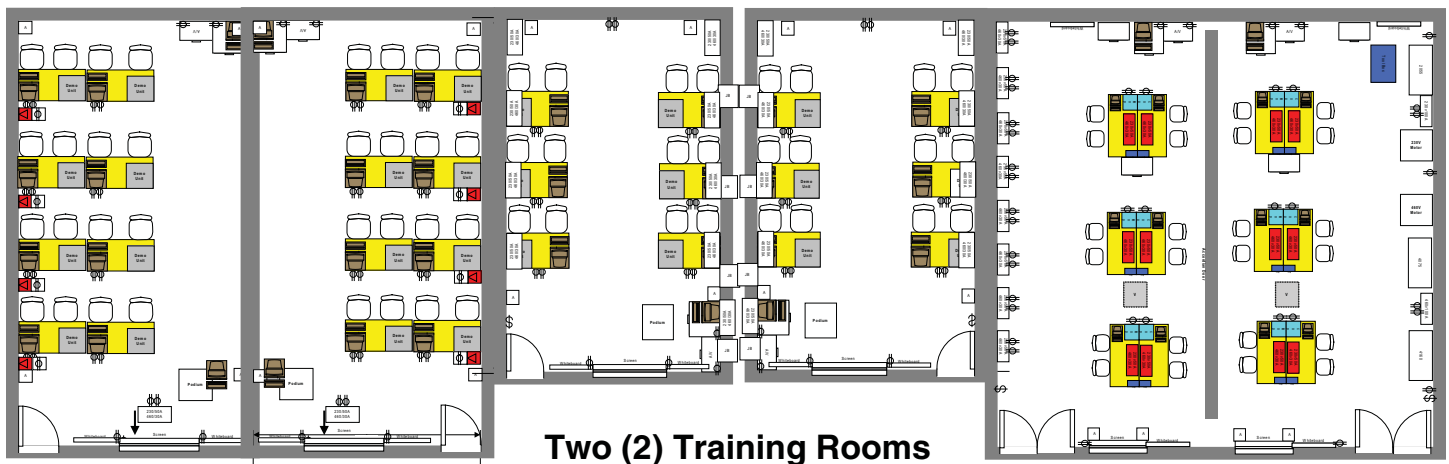

- Motion class schedule
- Description of what's covered in each class
- Start / End times and dates of scheduled classes
- Tuition fees
- Maps / Directions to the office from area airports
- Hotel and area information
- eLearning Modules (some include certification tests)

You can also find a Course Selection Tool to help you determine which class(es) are best for you!

Our classrooms are state-of-the-art and are designed as training rooms from the ground up – not modified conference rooms. We have lecture and hands-on training labs for classroom study. Our floor plan encompasses two (2) Training Rooms seating up to 12 students in each and two (2) Training Lecture Halls holding 18 students each. These rooms have desktop computers with flat screen monitors at each workstation.

We also have two (2) Training Labs for 12 students each. These rooms are equipped with 230v and 460v (3 phase) power, as well as tool chests at each workstation.
