Yaskawa Electric America, Inc. Becomes Authorized Provider of IACET CEUs

Prestigious Authorization Demonstrates Commitment to High-Quality Lifelong Learning

Waukegan, Ill. (July 13, 2009) The International Association for Continuing Education and Training (IACET) has awarded Yaskawa Electric America, Inc. (YEA) the prestigious Authorized Provider status. IACET Authorized Providers are the only organizations approved to offer IACET Continuing Education Units (CEUs). The recognition period extends for five years, and includes all programs offered or created during that time.

“YEA is proud of our education programs which train close to 2000 engineers and technicians each year in important Drives and Motion Control skills so that our customers stay on the cutting edge,” stated John Autero, manager of Yaskawa Technical Training Services. Autero added, “Our new partnership with IACET is a demonstration of our commitment to lifelong learning and high standards for all of our programs, and we are very pleased to join such a prestigious organization as well as an elite group of organizations that offer excellent continuing education and training programs.”

“We are pleased to welcome Yaskawa Electric America, Inc. as our newest Authorized Provider organization,” stated Dr. Fred Baker, president of IACET and Administrator for Continuing Professional Education at Columbus State Community College in Ohio. Baker added, “Yaskawa Electric America, Inc. joins nearly 650 organizations around the globe that have had their programs vetted by third-party experts in continuing education to ensure the highest possible standards are met.”

In order to achieve Authorized Provider status, YEA completed a rigorous application process, including a review by an IACET site visitor, and successfully demonstrated adherence to the ANSI/IACET 1-2007 Standard addressing the design, development, administration, and evaluation of its programs. YEA has pledged its continued compliance with the Standard, and is now authorized to use the IACET name and Authorized Provider logo on promotional course material. In addition, YEA is now linked to the IACET web site and is recognized as offering the highest quality continuing education and training programs.

The following YEA programs offer Continuing Education Units (CEUs):

Program Number	Program Title	Continuing Education Units (CEUs)
TRM030-06-7TS	Hands On Troubleshooting for AC Drives	2.1
TRM010-07-IQPump	iQpump Application Programming	1.4
TRM015-03-E7	E7 Installation and Start-Up	2.1
TRM010-03-E7	E7 Application Programming	1.4
TRM015-03-F7	F7 Installation and Start-Up	1.4
TRM010-03-F7	F7 Application Programming	1.7
TRM015-04-P7	P7 Installation and Start-Up	1.4
TRM010-04-P7	P7 Application Programming	1.4
TRM020-05-DriveWorksEZ	DriveWorksEZ	1.4
TRM010-02-SMCAppProg	SMC Application Programming Using YTerm	1.4
TRM010-04-SMC4000Workshop	SMC4000 Workshop	0.7
TRM020-03-SMC-APW1	SMC Advanced Programming Workshop #1	1.4
TRM900-03-MotionProducts	Yaskawa Motion Products	0.3
TRM001-03-Sigma2-Fundamentals	Sigma II Fundamentals	0.4
TRM010-03-Sigma2-Apps	Sigma II Applications	1.4
TRM020-Sigma2Tune	Sigma II Servo Tuning	1.4
TRM030-Sigmall	Hands-on Application of Sigmall Servos	0.7
TRM010-MP2000iecSeries-AppProg	MP2000iec Series Application Programming Using MotionWorks IEC	2.1
TRM010-06-MP2000-AppProg	MP2000 Series Application Programming Using MotionWorks Version 6	2.1
TRMB21	Inverter PID Laboratory	0.7
TRMC10	G5/GPD515 Application Programming	1.4
TRMC20	G5 Advanced Application programming	0.7
TRM010-01-HHP	HHP Basic	2.1
TRMC30	P5/PC5/G5 Troubleshooting	0.7
TRMB10	PC5/P5 Application Programming	1.4
TRM010-99-V7	V7 Sales/Basic	1.4
TRM010-02-900	MP900 Series Application Programming Using MotionWorks Version 5	3.5
TRM010-MP940	MP940 Application Programming Using MotionWorks+	2.1
TRM010-01-Indexer	NS600 Indexer Application Programming Using IndexWorks	1.4
TRM-RoadShow	Drives Road Show Training	0.3
TRM010-V1000	V1000 Application Programming	2.1
TRM015-V1000	V1000 Installation and Start-Up	1.4
TRM010-Sigma5forSigma2	Sigma-5 Applications for Sigma-2 Users	1.4
TRM010-Sigma5-Applications	Sigma-5 Applications	3.3

About Yaskawa Electric America, Inc.: Yaskawa Electric America, Inc. headquartered in Waukegan, Ill., is the world's largest manufacturer of ac drives and motion control products, including variable frequency drives, servo amplifiers, servomotors, machine controllers, and motion controllers. Through our product focus and obsession with quality, Yaskawa has earned the reputation for making the most reliable, technically advanced and longest-lasting products on the market. Our customers enjoy low ownership costs, while at the same time benefit from increased performance, productivity and profitability of their equipment and automated processes. For more information, please visit www.yaskawa.com or call (800) 927-5292.

About IACET: The International Association for Continuing Education and Training (IACET) is a non-profit association dedicated to quality continuing education and training programs. IACET is the only standard-setting organization approved by the American National Standards Institute (ANSI) for continuing education and training. The ANSI/IACET 1-2007 Standard is the core of thousands of educational programs worldwide. For more information, please visit www.iacet.org or call (703) 506-3275.
