Certification of Non-Inclusion: RoHS Compliance for Restricted Hazardous Substances

Michihiko Zenke, Plant Manager
Inverter Plant, Drives Division
Yaskawa Electric Corporation

This letter is to certify that specified products and materials Yaskawa is supplying to the company listed below are in compliance with the EU RoHS Directive (2002/95/EC) and its relevant amendments. These products and materials do not contain any of the hazardous materials defined in EU RoHS.

Definitions:

* "Non-inclusion": Substances included in products/materials are below the threshold levels prescribed in the EU RoHS Directive, provided, however, that nothing in this definition is applicable for exemptions under the Directive and relevant regulations.

* "Restricted hazardous substances": Lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE) as prescribed in the EU RoHS Directive.

Products and materials certified;

#	Product Name	Product Model	Specifications
1	Inverter V1000	CIMR-V#xxxxxxxxxx	None (as standard)
2	Inverter J1000	CIMR-J#xxxxxxxxxx	None (as standard)
