

Earning CEU Credits is Easy with Yaskawa

To make it more convenient for students to earn CEU credits, Yaskawa America, Technical Training Services has created the "HV600 HVAC eLM Learning Package." Yaskawa's eLearning Modules (eLMs) are user-friendly, computer-based training lessons that are effective, time efficient, instruction that can be performed anytime or anywhere there is a computer or mobile device. eLMs related to Yaskawa's HV600 HVAC variable speed drive have been collected together to create a multi-part eLearning Lesson, that provides CEU credits for the learner.

Yaskawa America Inc. Drives and Motion Division has been accredited by the International Association for Continuing Education and Training (IACET). In obtaining this accreditation, Yaskawa America Inc. Drives and Motion Division has demonstrated that it complies with the ANSI/IACET Standard which is recognized internationally as a standard of good practice. As a result of their Accredited Provider status, Yaskawa America Inc. Drives and Motion Division offers IACET CEUs for its programs that qualify under the ANSI/IACET Standard.

The process to earn CEU credits is simple. Watch each of the eLearning Modules listed below and complete each of the certification tests. Then submit the tests and this page to training@yaskawa.com Achieve a passing score on each of the certification tests and earn your CEUs.
